Dear Student:

The National Forum for Black Public Administrators (NFBPA), Houston Chapter is pleased to inform you of scholarship opportunities offered to deserving high school graduates and college students pursuing studies in the field of public administration.

The NFBPA is a professional membership organization that is recognized as the nation's premier organization for providing services to accomplished and aspiring black public administrators. NFBPA is committed to assisting its membership, through its networking and programming, to attain their professional career goals and objectives.

We consider it a privilege to provide encouragement to you during this crucial time as you pursue your academic goals. We also invite you to become a part of our chapter. Student membership dues are nominal and networking and mentor opportunities will be invaluable.

Enclosed is a scholarship application. Please be advised that all information requested must be provided and the application must be postmarked by October 30, 2009. If you have any questions regarding the application process, please contact Sherry Mose at (713) 837-9664.

Again, we wish you success in your scholastic endeavors and we look forward to receiving your application.

Sincerely,

Toni Middleton-Lewis
